Present Business

Tree Lighting / Christmas Parade

Kris comments that it only takes 8 minutes to arrive at town hall from Lacey Hall. Suggestion was made to move the tree lighting up to 6:15 instead of 6:30. All agreed. Asked if we could possibly get the Oakmont Choir to perform, Kris agreed that it was possible. The Choir will set up on one side of the Town Hall front steps, leaving the other side for the public to enter the building.

Another suggestion was not to have all the Fire Trucks enter the Town Hall driveway and continue around the building, but will instead line up on Rt. 12 in front of Town Hall and then can continue up Rt. 101 N to head back to the Fire Station. All Agreed.

The Fire Association will as always set up on the 3rd floor and will provide a back drop for pictures with Santa. Decision was made not to do pictures this year due to needing to purchase a new printer so we will have parents take their own as most want to share on Social Media.

Parks Updates

Winchester Park

DPW will remove sand from sandbox and check for an Ant problem. They will then replace with new sand.

Sweeney Park

DPW suggests holding off adding more loam to replace what was washed away from rain. Tim states no it needs to be done now to stop further erosion.

Day for Caring .. by The United Way (09/17/2015)

United Way was unable to provide us with any service this year due to over abundance of projects.

Next Meeting

Next meeting is scheduled for Thursday October 8th, 2015 at 7:00 pm

Motion made to close the meeting at 8:20 pm by Tim Dumont and second by Deanne Smith. All in favor.

Respectfully Submitted
